Minnesota Gambling Control Board Draft Rules Relating to Raffle Boards, Bingo Boards, Multiple Chance Games, and Other Lawful Gambling Provisions Page 15 2/2/16

- (1) The written notice of the director's recommended denial must state the basis for the director's recommendation of denial. Within 14 days of receipt of a notice of the director's recommended denial, the manufacturer may request a contested case hearing under Minnesota Statutes, chapter 14.
 - (2) The written notice of the board's denial must state the basis for the board's denial.

C. Manufacturers are in compliance if the game gambling equipment is approved by the board, and all tickets, flares, and any prize pool boards, chance ticket displays, raffle boards, and bingo boards, are produced in compliance with the manufacturing standards prescribed in this chapter. Once approved, a manufacturer may not change a game any gambling equipment without prior approval of the board, in compliance with subpart 11.

The board may withdraw its approval if it determines that the paper tickets, <u>including chance</u> <u>tickets and their chance ticket displays</u>, flares, and prize pool boards, if any, <u>and raffle boards</u>, and <u>bingo boards</u>, were not manufactured in such a manner to be tamper-resistant. If the board decides that its approval should be withdrawn, the board will notify the manufacturer of its right to request a contested case hearing under Minnesota Statutes, chapter 14.

D. All paper pull-tab and tipboard deals and promotional paper pull-tab or tipboard tickets submitted for approval and approved in Minnesota after July 1, 2011, must be in compliance with the standards by July 1, 2011.

E. All paper pull-tab and tipboard deals and promotional paper pull-tab or tipboard tickets approved for sale in Minnesota prior to July 1, 2011, and manufactured after July 1, 2011, must be in compliance by December 31, 2011.

D. Previously approved games not in compliance with part 7864.0230 must come
Subp. 1a. into compliance within 180 days of being notified by the board.

<u>A.</u> Paper pull-tab and tipboard tickets manufactured for sale in Minnesota must, at a minimum, include the following information printed on the front of a ticket and be the same for all tickets in a deal:

- A. (1) manufacturer's name or its board-registered logo;
- B. (2) game name, which must be identical to the game name on the flare for that deal;
- C. (3) game serial number, which must be a minimum of five and a maximum of eight characters, printed on the game information side of the pull-tab, and must not be repeated on gambling equipment of the same form number for 3-1/2 years from the date of the manufacturer's invoice to the distributor. There must not be more than one serial number in a deal;
 - D. (4) unique form number for that game;
- E. (5) cost per play, not to exceed the limit under Minnesota Statutes, section 349.211; this item does not apply to chance tickets;
